

Although we like to encourage youngsters to camp, we do not as a general rule allow under 18s to camp without adult supervision at our site. On the occasions we do allow groups to camp, these will be no more than groups of 4 and only allowed during weekdays (Monday to Thursday nights) we insist on each camper obtaining parental permission and providing a £100 deposit per pitch which will only be refundable if the pitch and surroundings are left undamaged, clean and tidy following their stay.

We do not allow amplified music at all on the site and whilst group noise is subjective, should campers need to be asked to lower noise levels and prove uncooperative, we reserve the right to withhold some or all of the deposit as a sanction if this warning needs to be repeated. As a final sanction, youngsters will be asked to leave the site.
