

Attached is an information sheet for you which hopefully will cover all queries plus some warning information regarding Carbon monoxide and some basic fire safety tips.

Our arrival time is 12.30pm – dusk except by prior arrangement, with departure time on the day you are leaving as before midday please.

Some useful information:

Directions:- After you turn into Hunscombe Lane, take the next right turn available (after the 3rd telegraph pole - signposted Hunscombe House Stud). Lowe Farm is the next right along the drive. Follow the track up through the field and the carpark is signposted.

Please note: our carpark is quite small and your tent pitch includes one parking space (two for outside pitch). If you require more spaces, you must let us know and there will be a £10 charge for the extra spaces. We reserve the right to turn away any extra cars not booked through our system.

Please come prepared in case of inclement weather. We mow paths through the meadow when the grass is long to help keep feet dry and we always wish for dry and sunny weather for your stay – however it's in the lap of the gods what you get.

We allow the meadow grass to grow as the summer progresses – (until we mow it for hay) and so wildlife i.e. bugs flourish! Please come prepared with insect repellent and antihistamine if you are prone to bites.

In times of exceptional heat or dry weather, we may have to restrict the lighting of fires. This is for the safety of all.

Re-cycling – We take rubbish very seriously! Please separate your rubbish when disposing of it in the recycling bins provided. We compost food waste but have very limited provision for general waste. Please take large broken or unwanted items home with you.

Rules – We don't like rules, however we would remind all of our campers that we run a family friendly site and if your idea of a good time is to stay up very late drinking or playing loud music (specifically request no amplified music please) we respectfully suggest that we are not the site for you. Please respect our other campers at all times. **N.B.** All campers must be over 18 unless accompanied by an adult. We will not admit unaccompanied children without adult supervision under any circumstances.

We look forward to welcoming you to our site and if there is anything else we can help you with, please don't hesitate to ask.

Best regards
