

Welcome to Twitey's Tipis, we're delighted you've chosen our campsite and we're on hand to help you enjoy everything within the area. Our main contact number is 07970 570518

Directions

The last part of our directions: when you turn into Hunscombe Lane, take the first turn on the right to Hunscombe House Stud and Lowe Farm is next right. Follow the track and call Michael or Denise on 07970 570518 to let us know you've arrived. **Let us know in advance what time you hope to be with us** so that we can meet you and show you to your pitch.

Longer stay

Should you wish to stay until the evening of your check out day, please contact us to let us know. (post booking day-charge - £5 per adult and subject to availability)

Campsite Facilities

- Running water
- Toilets
- Showers
- Washing up area
- Logs can be purchased on site for £5 per bag as well as kindling, firelighters and matches.

Outside your tent

- A campfire pit is available outside your tent for outdoor cooking & **please read the warning information on the last page of this pack for your safety**. If you wish to use a disposable barbecue, please ensure that it is lifted clear of the grass whilst in use and still hot. This helps to protect the grass in the meadow.
- We are very protective of the wild feel of our site and allow the grass to grow long through the summer until it is harvested for hay. We mow paths through the grass linking the facilities with the pitches. The long grass encourages wildlife (i.e. bugs!) so if you are prone to insect bites, please bring insect repellent and antihistamine!
- Acres and acres of beautiful wildflower meadows!

Recycling

Recycling is very important to us, please use the bins provided – no landfill is involved.

Site Security

Friends are welcome to visit during the day by arrangement. Should they decide they want to stay and a pitch is available, please ensure they go through the booking process with us. We are on site to meet and greet all guests and answer any questions you may have. Whilst the general public are not allowed on site, please keep anything of value safely locked away in the boot of your car

Consideration for others

We want all of our guests to be able to relax and enjoy themselves and hope that fellow campers will be as considerate as possible to other guests. So there are only a few things that we would ask of you:

- No loud/amplified music
- No fireworks anywhere on the site
- Please always try to be aware of other people's need for calm and quiet

2 SAFETY WARNINGS FOR OUR CAMPERS

Please be aware that our campsite is maintained as a wild camping site and to that end we cannot be held responsible for accident or injury to our guests although we do take every precaution to make it as safe as possible. Please ensure that children are

supervised adequately.

Following the recent publicised deaths from carbon monoxide from BBQs, we are requested to include the warning below for your safety:

Carbon Monoxide Kills!

NEVER put a BBQ in your Tent or Awning!

Carbon monoxide fumes from BBQs are invisible, odourless, and lethal.

Even if you think it's safe, and the flames have died down, don't do it.

The smouldering coals may be warm, but they may kill you.

Even with the tent doors open.

Even just in the porch.

Please don't do it!
